Description: Practical trading tools and techniques developed by Zacks Investment Research While there are many stock trading systems on the market today,that use a variety of different approaches and indicators, the approach used by Zacks Investment Research is built around the number one driver of stock prices: company earnings. Based on Zacks Research Wizard product,...

Review: Pushes simplified theories and Zacks expensive service. The advice seems a bit dated and doesn't take into account modern trading tools. Feels like a journey into the past. Hindsight is always 20/20....
